Chandigarh

Difference between
Architecture & construction.

↑
"touch someone's
port"

↑
Ingenieur

→ Architecture as a tool vehicle
for modernity.

"Open Hand" concept.

the
Open Hand.

quote → DA, 1954

'Every boy he works is
instructed of its proper position.

→ Supports Idewzi view
of the rhizome

"One social
c. / experimentally researched
product and benefit."

↳ She (Idewzi) possesses an
intelligence, an ethicist

* attendance → Regd.

the way of home

the "worship as" fine
lengthier art & the artist.

→ Having the work
be artistic process.

the analogy of the city
to a human body

History of the city

Shoe & light & order.

Figures looking out of the
mouth of the new city
→ modern man

working as a secret laboratory
for Architecture
Phil → u → Science

→ Against Cubism?

1
→ brought to the city
a doctrine of urbanism,

his topographies have a
best-kept influence?

↓
better way to describe?

the Open Harbor → open to give
open to receive
